

ENTRY OF APPEARANCE INFORMATION

Each individual attorney must file an entry of appearance in a specific case, or a case specific pleading in CM/ECF, if he/she wants to receive notices and orders in a specific case. The Clerk's office cannot capture the information from attorneys whose only appearance is during a telephonic hearing or other proceeding in the courtroom. The failure to file an attorney-specific entry of appearance in a case will likely result in the attorney not receiving notices and orders from the Court and possibly not receiving pleadings from other parties in the case.
